		SUBJECT: Bond Cancellations	Adopted: April 2003 Revised: Reformatted:

1.00.00 POLICY OF THE AGENCY

The definition of "cancel" was discussed and determined that if the bond is canceled and a lapse is created, the license is automatically suspended and can be re-instated automatically upon renewal of the bond. The general consensus of the Board was for enforcement to issue a \$100 citation to any outfitter who has their bond canceled.
